

OKI Bering®

NEW PRODUCT ANNOUNCMENT

3M

8510

N95 Particulate Respirator

Is uniquely designed to help provide comfortable, reliable worker protection against certain non-oil based particles. It's lightweight construction and soft inner material are designed for enhanced comfort to help increase user wearability.

Adjustable M-Noseclip

- Allows for fewer pressure points and greater comfort. Helps reduce eyewear fogging and provides a custom fit.

Fluid Resistant

- The 8510 passes the highest level of fluid resistance at 160mm Hg.

High Performance Filter Media

- 3M™ Advanced Electret filter material helps make breathing easier.

Braided Headbands

- Materials have been selected to provide comfort and durability.
- Soft inner material.
- Helps workers stay comfortable.
