Read warnings on back panel.

Net Wt. 15 oz. (425 g) No. 05026

CRC® Gel Engine Degreaser penetrates and removes the most stubborn baked-on greases and road grimes. Unique CRC gel formula clings to all surfaces longer and penetrates deeper than conventional engine degreasers. When rinsed with water the CRC gel formula emulsifies and washes away the grease. Highly recommended for cleaning automotive, marine, construction and agricultural engines.

- **Powerful Penetrating Action**
- **Gel Clings to All Surface Angles**
- **Low VOC**
- **Easy to Use**
