

# Freeze-Off®

## SUPER PENETRANT

The latest in penetrant technology! CRC® Freeze-Off® Super Penetrant is a unique formula that uses Freeze Shock Action to FREEZE, PENETRATE and LOOSEN rusted and corroded mechanisms.

Upon contact, Freeze-Off® immediately drops the temperature of the area in direct contact with the spray. The freezing effect cracks the rusted surface, allowing Freeze-Off® to reach deeper and work more effectively than other penetrants to loosen corroded nuts, bolts, hinges, locks and more!

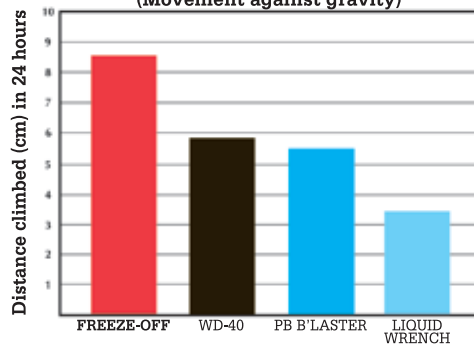

- Freezes and cracks rust for deeper penetration and faster results
- Dissolves rust, gums and corrosion
- Lubricating film displaces water and prevents corrosion
- Use on: automobiles, agricultural equipment, household items, plumbing fixtures, boats and watersports equipment, and sporting goods.

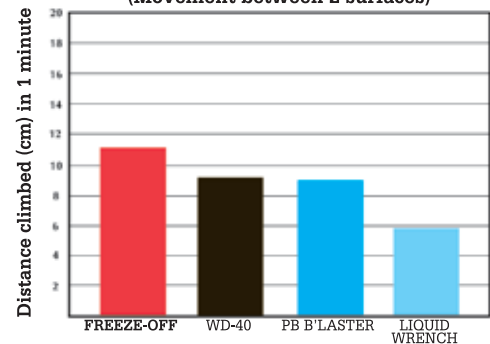

### CRC® Freeze-Off® outperforms the competition!

**Nail Climb Penetration Test**  
(Movement against gravity)

**Capillary Penetration Test**  
(Movement between 2 surfaces)

# More Essential Lubricants and Penetrants

## Power Lube® Multi-Purpose Lubricant

The next generation of multi-purpose lubricants. All-in-one product quickly cleans, penetrates, lubricates, and protects against corrosion. Stops squeals and loosens rusted parts. Displaces moisture. Odor-free.

05005	9 oz.
05006	11 oz.
05007	1 gallon
05009	5 gallon
05011	55 gallon

## Heavy Duty Silicone™ Lubricant▲

Clear, odorless, non-staining, highly water resistant silicone lubricant eliminates squeaking and binding. Lubricates and protects in most metal to non-metal applications. Low VOC formula.

05074	7.5 oz.
05174	11 oz.

## White Lithium Grease▲

A high purity, NLGI Grade 2 white lithium grease. Clings to provide superior long-lasting lubrication with excellent water and heat resistance. Ideal for metal to metal applications. Will not break down or run out.

05037	10 oz.
-------	--------

## Ultra Screwloose® Super Penetrant

Super-fast, powerful, concentrated penetrating solvent. Attacks and penetrates tough rust, gum and corrosion on contact to free corroded fasteners and mechanical components.

05330	11 oz.
-------	--------

## Dry Lube with PTFE Technology▲

Micro-thin film dries in seconds! Quickly penetrates and bonds to aluminum, metals, wood, rubber and plastic. Helps reduce friction and drag. Seals out moisture to help prevent corrosion.

05114	10 oz.
-------	--------

## Knock'er Loose® Technician Grade Penetrant

Concentrated heavy-duty formula penetrates rust and corrosion. Leaves behind a long-lasting, fine film lubricant to protect against future corrosion.

401712	9 oz.
401724	18 oz.

## Copper & Nickel Anti-Seize

Copper products are effective up to 1800°F. Nickel products are effective up to 2400°F. Available in brush-top cap or aerosol.

14095▲	Copper aerosol 12 oz.
SL35901	Copper 8 oz.
SL35903	Copper 16 oz.
SL35911	Nickel 8 oz.
SL35913	Nickel 16 oz.

## Technician Grade Di-Electric Grease/ Bulb & Connector Grease

Seals, protects and insulates. Maintains optimum electrical connections in extreme conditions. Patented delivery system is great for hard-to-reach places.

05105	3.3 oz. can
05107	.28 oz. card
