

Power Lube®

MULTI-PURPOSE LUBRICANT

CRC's expertise with lubricants began back in 1958 with the development of the company's very first product, "CRC Corrosion Inhibitor." Fifty years later, CRC is still the most respected and trusted name among professional technicians.

CRC Power Lube® Multi-Purpose Lubricant is specifically formulated to meet today's vehicle and general shop requirements. Power Lube® quickly cleans, penetrates, lubricates and protects against corrosion. Power Lube® stops squeals, loosens rusted parts and displaces moisture. And Power Lube® is odor-free.

Don't pay more for a trendy straw! Power Lube® is a superior product without unnecessary added packaging costs.

- **Odor free**
- **Penetrates fast, stops squeaks**
- **Plastic safe, non-staining**
Hit the hinges and door slides during regular maintenance for added customer satisfaction.
- **Clings to metal for long-lasting lubrication and corrosion protection**
The next time you pull a tire/wheel, hit the lugs with Power Lube to protect against corrosion and easy removal of the nuts during the next rotation.

Part No.	Package Type	Net Wt	Units/Case	Unit Dimensions	Case Dimensions
05005	aerosol can	9 oz	12	6.25H x 2.63W x 2.63D	7H x 8.44W x 11.31D
05006	aerosol can	11 oz	12	7.75H x 2.63W x 2.63D	8.69H x 8.44W x 11.31D
05007	pail	1 gallon	4	10.25H x 5W x 6.13D	11.44H x 10.88W x 13.25D
05009	pail	5 gallon	1	13.75H x 11.25W x 11.25D	13.75H x 11.25W x 11.25D
05011	drum	55 gallon	1	35H x 24.5W x 24.5D	35H x 24.5W x 24.5D

CRC Industries is a worldwide leader in the production of specialty chemicals for the DIY and maintenance professional, serving the automotive, marine, hardware, electrical, industrial, and aviation markets. CRC is ISO 9001:2000 certified and adheres to the strictest guidelines for quality in all facets of research, development, and production.

More Essential Lubricants and Penetrants

CRC Freeze-Off® penetrates faster and works more effectively than the competition to loosen corroded parts.

CRC Freeze-Off® Super Penetrant

Immediately drops the temperature of the area in direct contact with the spray. The freezing effect cracks rusted surfaces, allowing the lubricating solvent to penetrate faster and work more effectively than the competition.

05002 (Low VOC) 11.5 oz.
05222 11.5 oz.

CRC Heavy Duty Silicone™ Lubricant▲

Clear, odorless, non-staining, highly water resistant silicone lubricant eliminates squeaking and binding. Lubricates and protects in most metal to non-metal applications. Low VOC formula.

05074 7.5 oz.
05174 11 oz.

CRC White Lithium Grease▲

A high purity, NLGI Grade 2 white lithium grease. Clings to provide superior long-lasting lubrication with excellent water and heat resistance. Ideal for metal to metal applications. Will not break down or run out.

05037 10 oz.

Versatile CRC White Lithium Grease provides superior lubrication and durability in any weather and temperature.

CRC Ultra Screwloose® Super Penetrant

Super-fast, powerful, concentrated penetrating solvent. Attacks and penetrates tough rust, gum and corrosion on contact to free corroded fasteners and mechanical components.

05330 11 oz.

CRC Dry Lube with PTFE Technology▲

Micro-thin film dries in seconds! Quickly penetrates and bonds to aluminum, metals, wood, rubber and plastic. Helps reduce friction and drag. Seals out moisture to help prevent corrosion.

05114 10 oz.

KW Knock'er Loose® Technician Grade Penetrant

Concentrated heavy-duty formula penetrates rust and corrosion. Leaves behind a long-lasting, fine film lubricant to protect against future corrosion.

401712 9 oz.
401724 18 oz.

CRC Copper & Nickel Anti-Seize

Copper products are effective up to 1800°F. Nickel products are effective up to 2400°F. Available in brush-top cap or aerosol.

14095▲ Copper aerosol 12 oz.
SL35901 Copper 8 oz.
SL35903 Copper 16 oz.
SL35911 Nickel 8 oz.
SL35913 Nickel 16 oz.

CRC Technician Grade Di-Electric Grease/Bulb & Connector Grease

Seals, protects and insulates. Maintains optimum electrical connections in extreme conditions. Patented delivery system is great for hard-to-reach places.

05105 3.3 oz. can
05107 .28 oz. card

▲This product is Extremely Flammable. Do not apply while equipment is energized.
