

Precision Plus™ Cleaner

With Advanced
COzol™
Technology

- ▶ Non-flammable and very low odor
- ▶ Safe on most plastics and sensitive electronics
- ▶ Advanced COzol™ technology improves performance
- ▶ VOC exempt
- ▶ Evaporates quickly and leaves no residue
- ▶ Dissolves dust, lint, dirt and light oils
- ▶ Effectively removes Krytox® and other fluorinated greases

Krytox® is a registered trademark of DuPont Corporation

Precision Plus™ Cleaner

I. Product Description

A revolutionary contact cleaner with a fast-penetrating, high-purity formula that contains no VOCs. Its unique blend of HCFC and COzol™ solvents has a cleaning strength similar to that of CFC 113 contact cleaners. **Precision Plus™** is safe on most plastics and sensitive electronics and metals surfaces. It is non-flammable, chemically stable, non-conductive and non-corrosive. It evaporates rapidly and leaves no residue. **Precision Plus™** helps prevent contact failure or malfunction by dissolving and rinsing away dust, lint, dirt, light oils and other contaminants as well as removing Krytox® and other fluorinated greases.

II. Applications

Recommended for precision cleaning of contacts, circuit boards, PC's, motors, relays, circuit breakers, avionics, micro switches, engine controls, oxygen systems, communications equipment, ultrasonic cleaning and removing light duty carbon and soot. Excellent for use on insulators and metals such as titanium, magnesium and aluminum.

III. Features & Benefits

- **Non-Flammable.** Significantly reduces the risk of fire caused by incidental contact with live equipment, increasing user safety.
- **Fast Evaporation.** Minimizes downtime associated with "clean-in-place" cleaning methods.
- **Removes Krytox®.** Removes tough, modern fluorinated greases.
- **Low Odor.**
- **Contains no VOCs.** Free of volatile organic compounds that cause ground smog.
- **MSD(L)™.** The only company in the industry that offers a Material Safety Data Sheet right on the label. Provides instant access to current safety information should an accident or OSHA inspection occur. **Helps comply with OSHA Hazard Communications Standard 29 CFR. 1910.1200.**
- **COzol™ Technology.** Improves cleaning performance.

Precision Plus™ Cleaner

Performance mirrors CFC 113 contact cleaners!
