

Brākleen®

BRAKE PARTS CLEANER – 50 STATE FORMULA

Meets All State & Federal VOC Regulations

CRC Brākleen® 50 State Formula is the best non-chlorinated product on the market, specifically formulated to meet VOC restrictions nationwide! This powerful formula removes brake fluid, grease, oil and other contaminants fast and effectively. Use on all brake related parts including rotors, cylinders, drums, linings, brake shoes, calipers, clutch discs and disc brake pads. Safe for ABS, disc and drum brakes. Use Brākleen® 50 State Formula where compliance calls for a Low VOC, chlorine-free product.

NEW!
Power Jet™
Spray Nozzle

The Strongest Name in Brake Parts Cleaner Just Got STRONGER!

CRC Brākleen® 50 State Formula utilizes POWER JET technology. This new spray nozzle produces a burst of product that forcefully breaks away contaminants, while the formula cleans and degreases instantly. The strength behind the POWER JET spray nozzle means faster work, requiring less product per job. The ergonomically-designed POWER JET spray nozzle is easier to press, giving the user a quick, precise shot of product where needed.
