370 HEADGEAR

A Revolution In Headgear Technology

3-position slider adjusts distance of the lens from your eyes for precise vision

The removable Comfort Cradle is a pivoting headpad that conforms to any head for the highest degree of comfort

Oversized ratchet with soft rubber grip allows for easy adjustment when wearing gloves

Crown Strap Adjustment - allows the headgear to be raised or lowered for maximum comfort and performance

Sweatband helps absorb perspiration and prevents sweat from interfering with vision

Vertical lock-in eliminates helmet creeping

Lock-Nut feature keeps the components together even when bracket is loosened

Welding Snap Curtains

Welding Snap Curtains will literally grow with your business!

As your business needs expand, simply purchase additional 2' x 6' Spectra™ curtain strips to snap into your Snap Curtain System. It can easily be modified to fit the space needed, offering instant protection in a Snap! You'll never have to wait again for customized welding curtains. Snap Curtains are available that day! Minimize costs by purchasing replacement strips rather than replacement curtains!
