

New Product Announcement

Tweco

Fully Assembled, Ready-To-Use MIG Guns

The new Tweco guns features

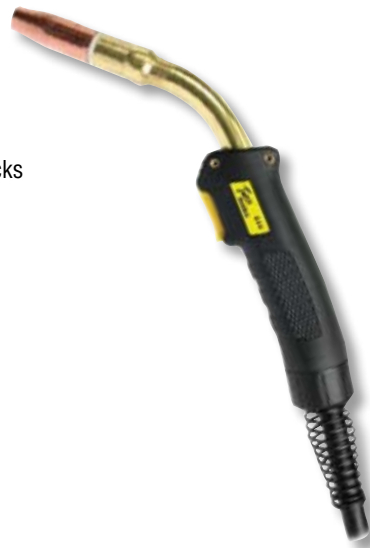

- Operator appeal with an ergonomic handle featuring a diamond pattern grip.
- Handle that runs cooler than comparable guns because there are no brass blocks inside the handle, making it light weight as well.
- Long-life trigger tested at over 1.2 million cycles without failure.
- Rugged steel spring strain relief for durability and robustness.

WS220L-15-3035 - WeldSkill 220 Air Cooled MIG Gun
(220A, 030-035, 15FT, Lincoln Wire Feeder Connector Style)

Kimberly-Clark
PROFESSIONAL

WYPALL Shop Towel 75127 - 80/bx

- 80 large (9.1" x 16.8") Red Shop Towels
- Extreme strength even in solvents
- Extreme oil and grease absorbency
- Portable Pop-Up® Dispenser Box keeps the towels clean and provides one-at-a-time dispensing
- Reusable, yet disposable

WYPALL® Red Shop Towels are made with Kimberly-Clark's patented, fast absorbing SuperCharged material. Each towel offers consistent, reliable performance and works exceptionally well for heavy duty automotive clean-up tasks involving grease and oil.
